Mark recently accompanied Stef Eisen for a road course experience (in Mark's car) at the Talladega Gran Prix Raceway (aka Little Talladega)—and, of course, a great time was had by all. The next open track days at the Barber Motorsports Park in Birmingham are on 5-6 Jun. Go to justtrackit.net to register. Note: Per the website, the NOVICE and INTERMEDIATE 1 sessions are full and the waiting list is closed. The next open track day at Little Talladega will be on Jun 26th. Go to talladegagp.com to register. Contact Mark if you have any questions.

See our Facebook site for a list of past and future road racing events.

*Anyone wanting to get involved in motor sports events can also go to justtrackit.net to see their schedule of events.

NCM AMBASSADOR REPORT:

Brian Newton, NCM Ambassador Representative, reported on the current happenings at Museum. He also mentioned that the International Landscape, Outdoor Living and Equipment Exposition (GIE+EXPO) will be hosting an event in Louisville, KY, on Oct 20th-22nd. If you're interested in seeing/riding on every conceivable lawn mower/tractor, the GIE+EXPO is the place to be. It's also only about an hour and a half away from the NCM at Bowling Green, so make a weekend of it and stop at the NCM for a visit as well.

WEBSITE REPORT:

The club website is up and available for viewing. Per our club webmaster representative, Roger Clayton, if you have any pictures from last weekend's Vettes for Vets event at the Talladega Superspeedway, please send them to him and he'll put them on the club website.
