

CAPITOL CITY CORVETTE
CLUB

The World-Famous Chappy's Deli, 8441 Vaughn Rd. Montgomery, Alabama
Tuesday, June 4, 2024

'Pilot-in-Command' (President): Mr. David Dodd
'Right-Seat' (Vice-President): Mr. David K. Windham
'Instructor-Pilot' (Secretary): Dr. Col. Stef Eisen
'Flight-Engineer' (Treasurer):
Mrs. Vickie Lavender
'Crew-Coordinator' (Membership Chair):
Mrs. Pam Smith
'Racing & Leisure Event Coordinator':
Mr. Mark (*I'm Faster Than You*) Reese
'The Master of the Web':
Mrs. Julie (*I Can Make Ya Purty*) Hall
'Home-Field-in-Kentucky-Communications-Coordinator',
(National Corvette Museum Ambassador): Mrs. Carolyn Middleton!

With reckless abandon, and a complete disregard for Robert's Rules: our fearless leader, Mr. Dodd, taxied to the front of the room and called the meeting to order at 1840 hrs. (That's 6:40 p.m. for us civilian types.)

Business:

1. Annual membership dues are being taken, \$36, what a bargain for this level
Of quality entertainment!
2. Our monthly meeting in July is on the 9th. This is the SECOND Tuesday, folks.

New Business:

1. David immediately called for the reading of the minutes from our last meeting, but our secretary was M.I.A. so a motion was made to accept the aforementioned minutes as-is. The motion was seconded and carried. Mr. Dodd abstained from voting, as HE was missing in action for our last meeting. Vickie said the vice-prez got a little long-winded, but that was likely just a rumor.

2. Next up was the 'treasurerererer's' report. (Hey, that's what David said!) Vickie reported that we had \$1,918.36 in checking, we took in \$290, \$60 was out and 'floating about' (Let's call that Petty Cash); really it was so she could make change for us as needed. \$2148.36 was the month's total, and we currently have \$4547.07 in current savings. This gave us a grand total of \$6,695.33. There were no bills for the month, however: Vickie is having her pool repaired (upgraded?), and thinks the new amount might just cover it! (There were whispers of a possible swim-up bar...)

3. Pam Smith, our Master of the Census was up next with the Membership Report. Pam said we had 78 family members as of May 31, with no new members in May. 38 brave souls attended the night's meeting, many having to swim across the city, due to a torrential downpour.

The following members are celebrating another trip around the sun in June!

Please send Pam any updates to your cars, car status, vanity tags, etc, also.

4. Next to report was the world-famous **Mark 'I hug trees, too' Reese**. Mark reported that he indeed 'has an agenda', and it involves his new ride, 'The Huntress'! Apparently, the Huntress has been thoroughly dialed in at the track, and is capable of hitting speeds just under Mach 1....making 649 whp, and 653 ft-lbs of torque. Mark warned all C8 owners to humbly move over and give him the line on the track, or risk getting run-over. Shades of Chuck Yeager, that's a quick car! Mark, just remember to 'read and heed' Stef's tag, as you pass him! (What is it with you two and trees?) Mark invited anyone wishing to go with him on the 22nd, to Barber Motorsports Track. Go and have a great time! Also, Roebling Road at Savannah, Ga is this month!
- 5.

*As far as a 'mystery-road-trip' goes, it was loosely discussed going to Clanton, and checking out Sergio Sanchez's new restaurant. The tentative date will be announced, with a trip likely in August. For any newbies, Sergio has amazing food, friendly service, and awesome health-drinks, a.k.a. 'special lemonade' (ok, margaritas).

6. Mrs. Julie hall was M.I.A. (likely chasing the backroads around beautiful Lake Jordan.) Therefore, there was nothing to report on web-doings, or Corvettes in cyberspace.

7. Saturday June 29th is the **Dreamland Cruise-in!** We're sponsoring this one, so let's decorate the Corvettes and drivers/passengers! The theme is 4th of July/patriotic, so get your red, white, and blue on! We need judges for decorated cars and for decorated people. Time: 4:30-8-ish, but get there way early!

8. Saturday June 15th, **Cars & Coffee** at Long-Lewis Ford (8-11), in Prattville, AND Riverside Chevy, (10-noon) in Wetumpka.

10. Wednesday, June 19th, **Ladie's Luncheon** @ 11am, Eddy's Restaurant, 1100 Maxwell Blvd, Montgomery Vickie said this was the, 'Whitewater Place', so bring your floaties and rubber duckies! (NO thongs, please) *an anonymous person dared me to include that remark...

11. Thurs-Sat June 27-29th, **Roebling Road!** Bloomingdale, Ga, Contact Captain Mark Reese for details.

12. Monday November 11th, **Veteran's Day Parade**: From the State Capitol to the Biscuit Stadium. Come put your Corvette in the parade, and maybe take a Veteran a ride in your passenger seat. Details to come.

13. **Capitol City Corvette Club Car Show! "Cars on the Green"** Saturday November 2nd, 9am-2pm, at the Millbrook Village Green Park. Awards at 1pm! LET EVERYONE YOU KNOW ABOUT THIS ONE! Any ideas on food trucks, see Mr. Dodd! Uncle Mick's? Chick-Fil-A? Our V.P. Mr. Windham motioned that we focused on obtaining two food trucks. The motion was ignored and trailed off, never again to be mentioned. (like many of the receding hairlines in the crowd...)

14. **CCCC ladies are quilting again!** They will be creating another one of their masterpieces, to be raffled at the car show. Tickets are \$5 each, to be sold before, and the day of the show. Buy a bunch, unless Keith K. is entering the chat...then buy even more!

15. **Christmas Dinner**: Tuesday, Dec 3rd. NO MONTHLY MEETING, so come to the Dinner! 5-8:30pm, Arrowhead Country Club, only a scant \$40/person for great food and first-class company. Hey, bring a gift (wrapped) of at least a \$25 value, and join in the 'Dirty-Santa' fun! Give monies to Vickie Lavender.

 4. **A diabetes-inducing dessert at stop #3!**
- **All meals are prepared by the world-renowned CCCC 5-star Michelin (heh) Chefs (most probably)***

The fun will begin around pm, with more details to follow.

17. **Charitable items needed: MOM, (Montgomery Outreach Ministries): Carolyn Middleton,** Lunch bags, copy paper, rubber bands, spray air freshener, post-it pads, paper clips, 2024 Calanders.

18. **Homeless Sleeping Mat Ministry: Vickie Lavender.** This is through local ministries that weave sleeping mats from plastic bags! Other needed items are: Light weight blankets, Personal wipes, tote bags (large/ reusable), Cracker packets, small treats, devotionals, scripture-based, lip balm, new socks, toiletry items from hotel stays.

19. **MCM Ambassador's Report was given by Carolyn Middleton:** She announced the most popular 2024 interior colors so far: Jet Black 41%, Adrenaline Red 23%, Sky Cool Gray 10%, & Natural 9%. The least popular color was Artemis, which accounted for only 1%. A Carbon Fiber Sill plate can now be had for your 2024 Corvette. **This is not a factory option. It is however, about \$2000.** 2025 Z06 will have 10-spoke wheels available, and in one of four optional finishes. The new Z06 has a new interior color available, it's called 'Habanero'...(I hear it's pretty hot!) 2025 will also see the debut of the new ZR-1, a twin turbo variant of the Z06 flat-plane crank engine...(Somebody hand Mark Reese a napkin---I think he might be drooling at this news.) Hand me one too, please.

MCM raffle tickets for Corvette give-aways:

- June 13th: 2024 Arctic White Coupe \$100/ticket. 2000 tickets sold, 2000 available.
- June 27th: 2024 'Build yer own Stingray' or \$85,000, \$250/ticket. 500 sold, 1000 available.

- 10th Anniversary (Museum) Oct.31st, 2025 Torch Red Coupe, \$20/ticket. Unlimited available.

20. Mr. Billy Moses announced that the **Train Shed Car** Show was announced on T.V., and a very large crowd was expected, and to come early. *Update: John Morykwas said there were over 138 registered vehicles at the show! There was a wide variety of cars, gassers, rat rods, classics, and even a vintage Triumph 'triple' motorcycle, and a Showroom clean 1996 Honda Scooter. (Rumor has it, it contained jet engine parts!) As always, Billy and his crew hosted a fantastic show!!

21. After the Train Shed Car Show, in the parking lot across the street, there was a 70's-style party, with dancing, a roller rink. Bell bottoms were suggested, but pillow-bottoms might be more useful for those attempting to skate!

22. A picture for our Banner for the Corvette Museum? \$750 for a good one, we have \$370 allocated so far. The 2022 banner was bought by Keith, and the next banner will be auctioned off. Larry Martin said the previous banner 2023, might actually be in an undisclosed tree stand...hmm...Any volunteers to aid in the picture-taking project?

*After the business, Dari (Mr. Las Vegas) was welcomed back, along with Mr. Roger Lavender. You guys were missed!

Bingo was played

Fun was had

Confusion abounded as to the rules of the game

50/50 Drawing: \$160 total, so after **Rita Martin** stirred the pot and pulled the winning number...her HUSBAND, **Larry Martin** won the \$80! Cries of 'Cheater!' 'Cheater!' were heard coming from the **Mark Reese** side of the table! (Jokingly, of course). Congratulations, Larry!

After 46 minutes and 56 seconds of concerted team effort (read mayhem), a motion was finally made to adjourn the meeting, and almost instantly the club, and even some of the food servers, seconded the motion. We had no choice but to clear out of Chappy's.....

.....until July 9th's meeting.....

See y'all then!

Humbly submitted by VP Dave Windham, in a feeble attempt to fill the massively-awesome shoes of our club secretary, Dr. Stef Eisen!
